## **Breathe Easy Again**

We've all walked into a room and been knocked down by the smell. Maybe it's cigarette smoke, overpowering cooking spices, or strong pet urine - whatever the smell, the room is basically unlivable.

Now imagine walking into that same room and smelling pure, fresh air! That's what Oxi Fresh can offer you!

**Say NO to Stink!**

Breathe Easy Again with the Total Odor Control Program!

# OXI FRESH: FRESH AIR DEFENDERS!

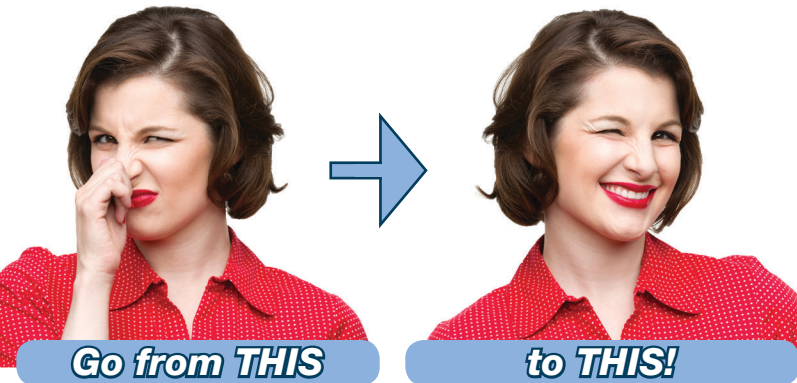

When faced with overpowering odors, you may think your only hope is to either tear out your carpets, replace your upholstery, or learn how to hold your breath.

## Don't Settle for the Smell!

Our Total Odor Control Program can **save** you by removing the source of your odor troubles.

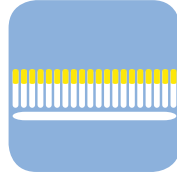

Our powerful products and modern machines will break apart pet urine deposits, kill off odor-causing bacteria, and pull it all out of your carpets and upholstery.

When we're done, you'll be able to breathe deep and enjoy a fresh smelling home once again!

# WHAT OXI FRESH CAN DO FOR YOU

**Surface Pet Urine:** Our Odor Destroyer will erase the general urine odors from your carpet and upholstery.

**Penetrated Pet Urine:** Our deep treatment process kills bacteria and extracts the offending urine from deep in the carpet pad.

**Hard Surfaces Odor:** Embedded smoke and spice residues are stripped off of hard surfaces, leaving them odor-free.

**Anti-Microbial Treatment:** Creates a powerful microbe-killing barrier that destroys the source of odors with incredible efficiency.

## ANTI-MICROBIAL TREATMENT

This fantastic treatment creates a microscopic bed of nails that punctures the cells of the odor causing microbes, killing them and preventing future odors before they start.

**That's right!** This anti-odor treatment will continue to work for months, fighting odors and keeping your home smelling great.

## Let's hear what our customers are saying about Total Odor Control

"The odor destroyer really worked and eliminated the pet urine stains that we had been struggling to remove."

-Michele J.

"Our carpet and rugs have taken a beating from a life shared with dogs, and I was skeptical that the carpeted room, where they spend a lot of time, would no longer smell like pee or look clean when he was done. I was amazed how fresh, clean and odor free everything turned out.."

-Joy L.

"No muss, no fuss, no mess, no smell!!!!"

-Norma K.

There are a lot more quotes we could include, but it should be clear just how effective the Total Odor Control Program is at breaking down and removing the source of odor troubles.
